Serial No. 09/967,267

BRIEF DESCRIPTION OF ARGUMENTS TO BE PRESENTED

1. JP Pub. No. 11-033163 does not disclose all of the elements of the claimed invention. The claimed invention includes a refractive light display which refracts the light through refractive surfaces. On the contrary, JP Pub. No. 11-033163 reflects the light using reflective plate 21 and reflectors 23a and 23b.
2. The claimed invention also selectively illuminates several different surfaces associated with the function of the game, which JP Pub. No. 11-033163 does not.
